

When you're filing for reimbursement from Medicare, Medicaid and private insurance, you need a [DME / HME billing service](#) who is trustworthy and diligent. At A - Perfect Medical Billing Service, we believe in giving individualized and focused time to all of our clients. We want you to see our service as a convenient extension of your business. We are your "right hand" when it comes to providing the most efficient, successful DME / HME billing solutions available in today's market. Our goal is to provide our clients the attention to detail and dedication we would want if we were a DME / HME provider.

Our company has specialized in DME / HME billing and reimbursement services since 1993. We solely specialize in DME / HME billing and do not offer any other type of billing. We are dedicated to staying advanced and educated in the ever changing field of DME / HME billing, coding and policy changes. We are committed to improving your rate of reimbursement and reducing claim denials from Medicare, Medicaid and private insurance as your DME / HME reimbursement specialist. Since our compensation is a percentage of the net revenue paid, you can be assured that we will work hard for your company. If you are interested in hiring a Professional Certified DME / HME Billing Service whom expedite your reimbursement process, please send us an [Inquiry](#) today.
