

With A - Perfect Medical Billing Service, you are guaranteed the dedication and commitment of experienced DME / HME billing specialists. Trust our DME / HME billing service to make sure your business receives all of the reimbursement you are owed by Medicare, Medicaid, and private insurances, and to ensure accurate record-keeping of all accounts receivables. As an experienced, full-service DME / HME billing service, we:

- Are HIPAA Compliant.
- Are certified by Medicare in DME Billing.
- Are certified by Medicare to bill all Certificates of Medical Necessity (CMNS).
- Handle claim preparation for secondary insurance claims that do not crossover automatically.
- Prepare balances due from patients to you. (additional fee when mailed by us)
- Automatically bill rental patients until capped.
- Provide complete accounts receivable for your DME billing.
- Generate accurate reports available for your end of year books.

Our compensation is a percentage of net revenue paid. Therefore, we get paid "when you are paid."
